Question from Inspectors

In response to the deposit consultation NRW identifies matters in the Habitats Regulations Assessment (HRA) it says, 'could make a material difference to the outcome of the decision making process for this project' (118/41). NRW advises these matters may be resolved through further assessment, evidence or amendments.

The Council provides no response to this in the Summary of Deposit Representations and Recommended Responses. Does the Council intend to update the HRA in light of NRW's comments? If so, by when? If not, why?

Council Response

We confirm we have commissioned AECOM who prepared the HRA of the Deposit Plan to update the HRA to take into account NRW's comments. It is expected that this update will be available by the beginning of April.
