

Gypsies & Travellers Wales

02/06/2026

To Whom it May Concern,

I am writing to confirm that the Wales-wide transit provision research undertaken by Gypsies and Travellers Wales on behalf of Welsh Government has not yet been published.

The report was completed and submitted to Welsh Government. Publication was delayed due to the pre-election period and the subsequent transition to a new Government, during which routine Government business and publication decisions were restricted. The report therefore remains with Welsh Government and has not yet been released.

As such, we are currently unable to provide a publication date and any queries regarding publication should be directed to Welsh Government.

Kind regards,

Louisa Devonish
